

ENGLISH LANGUAGE COURSE: B1/INTERMEDIATE

17.03.2025 – 21.03.2025

SEVILLE - SPAIN

Our five-day B1 level English course in Seville is specifically designed for adults, particularly Erasmus+ teachers who wish to enhance their English language skills in an immersive environment. Through interactive activities, group discussions, and authentic materials, learners will develop their vocabulary and grammar knowledge while practising conversational skills. Set in the vibrant atmosphere of Seville, this course fosters both personal and professional growth, encouraging participants to communicate confidently in English.

Objectives:

The primary objective of this course is to significantly improve participants' English language proficiency, equipping them with the tools to engage effectively in various situations.

By balancing vocabulary and grammar topics with practical conversation, learners will gain confidence in their ability to express themselves.

The course also emphasises innovative teaching methodologies that can be applied in educational settings.

Ultimately, this training aims to empower teachers and learners alike, ensuring they leave with enhanced linguistic skills and a deeper understanding of the English language and its cultural context.

Course Modules:

Module 1: Expand vocabulary related to daily life and common situations. Practice conversations about daily routines and interests through role play.

Module 2: Focus on key grammatical structures, including past and future tenses. Interactive grammar exercises and group discussions to reinforce understanding.

Module 3: Develop listening skills using authentic audio materials, such as podcasts and dialogues. Listening exercises followed by comprehension questions and discussions.

Module 4: Enhance writing abilities for various contexts, such as emails and short essays. Write and peer-review pieces, focusing on clarity and structure.

Module 5: Emphasise conversation skills and cultural nuances. Role play discussions on current events and cultural topics, fostering fluency and confidence.

This course aims to empower participants to communicate effectively and confidently in English.
